Milk lifted Qty is greater than Collected Qty

26/06/2025 11:02 - Sirpasri K

Status:	New	Start date:	26/06/2025
Priority:	Normal	Due date:	
Assignee:	Sirpasri K	% Done:	0%
Category:	Tanker Traceability	Estimated time:	0:00 hour
Target version:		Spent time:	0:00 hour
Description			
<p>Carry forward milk quantity: If the previous lifting quantity is greater than the collected quantity, the difference should be added to the current collected quantity. However, if the previous lifting was more than 3 days ago, the carry forward balance should be zero.</p> <p>When considering the milk collected quantity, subtract 4 hours from the current lifting and the previous lifting.</p>
